

PEACE IN EUROPE.—The fall of Duppel and the other successes of the Germans in the Danish war would seem to indicate that that struggle was drawing to its end. The conference in London, with the present peace proclivities of the Governments of England and France, which will no doubt carry out the measures of the great leading powers, will patch up a peace that will end the present war, and make such arrangement for the future as will avoid ruptures of a similar character for some time to come. To us this present apparent accord in Europe may be of vital importance. Unless the jealousies of the leading nations should prevent a concert of action in regard to American affairs, it may lead, if our war is prolonged, to recognition of the "Confederacy," and, possibly, as a natural consequence, to intervention in our affairs.—[Phil. Inq.]

The Carrollton (Mo.) Democrat, of April 15th, says a Mr. Kirby, living in the southern part of Hurricane township, in that county, while out turkey hunting, was shot and killed by a gentleman of the same neighborhood, who was also out hunting, and mistook Mr. K. for the game sought.

On Monday morning a fire occurred in the upper stories of 210 Chatham street New York. The flames spread rapidly, communication below was cut off, and the occupants, Mrs. Henig, with three children, were burned to death. Mr. Henig jumped from a window, sustaining injuries from the effects of which he soon after died. Peter Burke, a policeman, Geo. Stuyvesant and Peter Shields, firemen, were seriously injured by the falling of a wall.

The Richmond Enquirer of the 30th says a company has been organized with a capital of \$10,000,000, of which \$1,500,000 is paid in. It declines disclosing the condition of the enterprise, but says that the company aspires to grand results, a fleet at least, and it has now every prospect of achieving all its purposes.

NOTICE.—Owing to the recent advance in Flour, and the high price of other materials used in our business, we have been compelled to raise the price of BREAD to six cents for the pound and twelve for the two pound loaf.

TO PREVENT SICKNESS, PURIFY THE BLOOD!

NOTHING is more wholesome at this time of year, than a gentle purgative. It will purify the blood and digestive organs, and enable the system the better to endure the warm season to come. For this purpose we would advise every one in quest of sound health, to try a box of Prof. Wundram's Vegetable Pills or Powders, which have proved so salutary the past two seasons, to all who tried them.
